

香港重型乐队“恐怖嚎叫”乐手招募（只是起了名字）

风格：重型/偏重的摇滚（个人比较喜欢旋死/黑金/朋克/另类，其他偏重的风也都可以，像厄运/残死/碾核/金属核/后朋之类的我也很喜欢，但玩的不太多得练一练），具体等找到乐手后根据大家风格定

招募成员：主音吉他、贝斯、鼓（最好会双踩），其他乐器喜欢重型的朋友也欢迎，特别欢迎唢呐！

本人位置：主唱（极端嗓）+节奏吉他，有多年乐队/创作经验，也有演出/举办演出的经历，已在网易云发表过原创 demo

乐队期望：本人将在港科大至少四年，希望能找到志同道合的朋友一起玩乐队，每周固定时间排练（要是在科大附近更好了，可以用学校排练室），从初期 cover 磨合，到后期希望自己写歌，最后可以在香港/广东的 livehouse 演出。不要求大家技术多高，开心最重要，但希望真正热爱摇滚/重型，把乐队放在一个比较重要的位置（比如排练不要迟到，不要随便放鸽子，不要在排练时才练琴）

Hong Kong Rock Band "Horrible Screaming" Recruitment

Style: Metal/Core/Heavy Rock (I prefer genres like melodic death metal, black metal, punk, alternative rock. But other heavy styles are also welcome, such as doom, sludge, grind core, metal core, and post punk which I also enjoy but haven't played much and would like to practice). The specific style will be determined once the members are found based on everyone's preferences.

Recruiting members: lead guitar, bass, drums (preferably with double bass pedal skills). Other instrumentalists who enjoy heavy music are also welcome, especially if you play the suona!

My position: Lead vocals + rhythm guitar. I have several years of band/creative experience and have performed/organized shows. I have also released original demos on Internet.

Band expectations: I will be studying at the HKUST for at least four years. I hope to find like-minded friends to form a band and have regular rehearsals each week (it would be great if it's near HKUST, so we can use the rehearsal rooms on campus).

We'll start with covering songs in the early stage, and later on, I hope we can write our own songs and eventually perform at livehouses in Hong Kong/Guangdong. Members are not required to have high technical skills. The most important thing is to have fun. However, I do hope that everyone genuinely loves rock/heavy music and considers the band an important commitment (e.g., being punctual for rehearsals, not flaking out, not waiting until rehearsals to practice their instruments).

(The logo attached is generated by AI, but we can also find someone to design a new one later.)
